PROFILE

As a Full Stack Web Developer with specialized expertise in React JS, I bring 6 months of hands-on experience in crafting dynamic and responsive websites. Proficient in HTML, CSS, Tailwind, Javascript, React JS, and PHP with MySQL, I've successfully delivered innovative solutions, demonstrating a keen eye for design and a robust understanding of web technologies. Excited about the prospect of contributing to your team's success.

WORK EXPERIENCE

Pen Programmer

2023-NOW

Junior Web Developer

- As a junior web developer, I gained valuable experience in coding, debugging, and maintaining websites. Collaborating with senior developers, I contributed to the development of responsive and user-friendly interfaces. Utilizing HTML, CSS, and JavaScript, I implemented interactive features and optimized site performance.
